

Features unparalleled residential, recreational facilities

Hilton Doha The Pearl now open in Qatar

KUWAIT CITY, Jan 7: One of Qatar's most highly anticipated and sought-after residential facilities – the contemporary designed Hilton Doha The Pearl Residences – was officially declared open today in the Qatari capital, Doha, ready to welcome all visitors from the State of Kuwait and the world.

Owned by the Kuwaiti-backed First Qatar Real Estate Development Company (1st Qatar), the property, the largest Hilton in Qatar and the company's first serviced residence in the country, has been hailed by 1st Qatar's Chairman and CEO, Fahad Khalid Al-Ghunaim, as a watershed moment for his organisation. "This is our first hospitality development and one which demonstrates our confidence in the Qatari market and its sustainability while sending a clear signal of our commitment to the very highest of quality build and outfitting," he said.

The opening represents a milestone for Hilton, strengthening its presence and its commitment to sustainable travel across Qatar, according to Etienne Gaillez, Hilton Country General Manager, Qatar. "The moment that we've all been waiting for has finally arrived," he said. "Hilton has fantastic properties in Qatar across three brands, and Hilton Doha The Pearl Residences is an exciting addition to our portfolio in the country. This opening will play a key role in Qatar's growing tourism proposition and we look forward to welcoming residents and international travellers to this exciting new hotel."

Access

The stunning 38-storey, world-class property is just 30 minutes away from Hamad International Airport and stands within The Pearl Qatar's Qanat Quartier at the gateway to the island. A smart building, where guests have digital keyless access features 414 stylish, fully furnished accommodation choices and comprises a series of high-end fine dining options, a temperature-controlled outdoor pool, soon-to-open private beach, and a kids' club. It also houses the Signature eforea spa & health club using Elemis & Sothys Spa products, a 24-hour business centre and six hi-tech meeting rooms.

The residential unit features signature studios, 1-2-3-bedrooms serviced apartments and duplex townhouses, all

beautifully outfitted with the optimum in-home comforts, including modern kitchens, living rooms with a sofa, designated dining areas, and private bathrooms in every suite. Sun-drenched open-able windows, stylish gold accents and sophisticated lighting fixtures fill the vast open spaces with light, and with balconies and sea views in every room, all guests can enjoy amazing orange-red sunsets over the sparkling waters of this magical island.

The residences' appeal will go well beyond the hardware structure, according to Hassan El Wahidi, General Manager, Hilton Doha The Pearl Residences. "We intend to establish a strong reputation for superior and uncompromising products and services across Qatar's leisure and business tourism offerings. We aim to make this breakthrough property a preferred choice for long and short stay guests by offering everything you could want in

a hotel filled with everything you need in a home, as well as a local social hub and an exceptional business and events option," he explained.

Innovative

The residences are complemented by a range of restaurants which feature innovative dining options including The Kitchen for exquisite international cuisine, the warm Mulberry Tavern for more casual fare, and the culturally authentic Levantine Restaurant with the menu featuring popular and creative Lebanese dishes curated by the Lebanese Terroir Culinary Artist and international Master Celebrity Chef, Joe Barza.

El Wahidi has confirmed that the residences will be committed to sustainability. "We are striving to ensure these are eco-conscious residences through the implementation of fully biodegradable and plastic-

free policies. As a company, Hilton is committed to sustainable travel and tourism. This commitment is evident at Hilton Doha The Pearl Residences which will avoid plastic bottles and pens; while using take away cups with compostable lids, biodegradable coffee capsules and linen napkins in lieu of paper napkins and much more all in line with Hilton's goal to cut its environmental footprint in half and double its social impact investment by 2030," he explained.

El Wahidi also emphasised the property's commitment to a diverse and inclusive workforce. "We are committed to total workplace inclusivity and gender diversity. Our staff will represent numerous different cultures and backgrounds from over 46 countries, of which 50% are women. All these efforts are in line with Hilton's Travel with Purpose corporate responsibility strategy."
