Hilton Doha the Pearl Residences – the largest Hilton property in Doha – has recently opened and it's looking good. If you're staying here, you'll find all the amenities you want in a hotel and everything you need in a home. A unique blend of contemporary style and practical functionality, the residences are designed for optimal well-being, providing you with inviting home-comfort living, a wide variety of exciting leisure activities and innovative dining experiences.

The 38-storey property is in a prime location right next to the vibrant Qanat Quartier.

Hilton Doha the Pearl Residences features 414 stylish, fully furnished accommodation choices including modern studios, one-, two- and three-room modern suites, and stylish townhouses. The elegant residences, all with windows and balconies, are beautifully designed and fitted with modern kitchens, living rooms with a sofa, dining areas and ensuite bathrooms in every bedroom. Sophisticated lighting fixtures fill the rooms with light, while the balconies, which offer panoramic views of Doha's skyline, ensure you relax like you're on vacation while in Doha.

There are innovative dining options for food lovers including The Kitchen, serving international cuisine, a warm neighbourhood gastropub Mulberry Tavern for more casual

fare, and an authentic Levantine restaurant featuring popular and creative Lebanese dishes curated by international celebrity chef Joe Barza.

There's a temperature-controlled outdoor pool, Hilton's Eforea Spa and Health Club, 24-hour fitness centre with ladies-only facilities, a kids' club, and a soon-to-open private sandy beach.
